

Eileen Roofing Inc.

Alex Nickerson
NCSO, CHSR

Eileen Roofing Inc.'s in house full-time Safety Compliance Officer, Alex Nickerson, is responsible for all aspects of safety training and monitoring of OHS/A Compliance at Eileen Roofing Inc. He proudly holds one of the first NCSO (National Construction Safety Officer) Designations in Ontario.

New employees are required to undergo a rigorous orientation session and must pass all appropriate safety courses required for their position prior to field work.

Alex also makes regular unannounced jobsite visits to ensure that all personnel on every Eileen Roofing Inc. site are working in compliance of OHS/A and its Regulations. All sites must be kept clean and orderly to encourage a productive and safe work environment.

Alex leads our in-house training centre for Eileen Roofing Inc. Along with training our own personnel, Alex provides training to other companies that require proper certification(s).

Alex is trained in all aspects of the Occupational Health and Safety Act & its Regulations. Additionally, he is also a certified an MOL (CPO) & MEO approved Trainer for the Working at Heights program and was one of the first people in Ontario to be recognized for having passed all required courses and examinations for the National Construction Safety Officer program. TSSA recognizes Alex as one of only 7 other training program providers for Propane Safety training instructor for Roof Equipment Operators.

Below is a list of all training Alex Nickerson has successfully completed and is able to pass on to our workforce by training them in house at our training centre;
